A warm welcome to  
**Green Lane House**

# A warm welcome to Green Lane House

Green Lane House was completed in 2000 and consists of 10 en-suite rooms.

We are situated in the old market town of Fordingbridge, which lies on the banks of the River Avon in the New Forest District of Hampshire. The house has good transport links to other local towns and is situated in a prime location within walking distance to local amenities.

The house has dedicated staff and residents can gain additional support from a Careline provider 24 hours a day.

## Home from Home

Our houses allow you to live independently but are designed so you have more choice as your needs change. With a range of accommodation you'll find a home to suit you, with a daily provision of home cooked meals and everything you need to live life to the full, the way you want.
